COMMUNITY WATCH

FOR THE DIARY

🕒 **Watoto Children's Choir**

Tue 11 Jun – 7:00pm
Abbotsleigh Senior School Assembly Hall

The Watoto children testify to the transforming love of Jesus in their lives, and this will be an excellent evangelistic opportunity to invite friends to.

Free admission; suitable for the whole family.

🕒 **Parish Property Redevelopment Meeting**

Wed 12th Jun – 7:30pm
Church

The meeting will provide a detailed update to the parish including plans, financial information and timing.

Please make attending this meeting a priority so that we can move forward together on this important project.

🕒 **Anglicare Winter Appeal**

Sun 16 Jun – All Services

The Anglicare Food and Goods Program truck will be here all day on Sunday the 16th June.

This is a great opportunity for each of us to provide needed support for many in our city who are struggling with day-to-day living

needs. Anglicare has asked if we could focus on providing items such as toiletries (toothpaste, toothbrush, toilet rolls, deoderants etc.), nappies, tinned meals, pasta, rice, tea, coffee, long-life milk and baby food.

Used clothing is helpful but not as high a priority as the above.

We have been advised by Anglicare that they have no current need for toys.

PLEASE PRAY

🕒 **Churchwide Prayer**

There will be an airing of an interview involving John Dickson on ABC Radio National this Sunday at 6pm.

John was interviewed alongside Bishop Jean Robinson on the topic of gay marriage. Please pray that God will use this interview for his purposes in the lives of those who listen.

John is teaching this week at Regent College in Vancouver. Please ask God to protect him in travel and that John would work in the strength that God provides. Pray that God's grace be with all the family as they are apart.

Please pray for the pregnant women in our congregations – Rachel Gijbers, Pip Loel, Danielle Macdonald, Jenny Mitchell, Mary Ellen Rogers, Emily Stedman and Maree Turk.

Please pray for the confirmees as they meet each week to prepare for confirmation. Pray that God would lead them into truth and a desire to publicly proclaim their faith in Christ and that this time would bring significant blessing to each one.

Please pray for all in our congregations suffering with depression, anxiety and other mental health issues. Pray too for those who love and support them and for adequate and helpful medical support.

☛ **8.30am Prayer**

Please pray for Rae Doak, now in rehab after her hip surgery – pray for good healing and steady improvement in strength and mobility.

☛ **10am Prayer**

Praise God that Julie Sellars is now home from hospital and pray for daily improvement in her health and strength and that God's love and grace in Christ would bring peace and comfort.

Please pray that God will bring improved health to Ciara Fulcher who is struggling with ongoing sickness as she cares for newborn Noa. Thank God that Tom is home from work for one more week and that Noa is thriving.

☛ **5pm Prayer**

Praise God for John Shirley's successful surgery and pray for a full recovery, patience and comfort during this time.

☛ **St Andrew's Ministries**

Pray for our Youth Ministry under the leadership of Jeremy and Tash. Pray for the arrangements for the Winter Camp coming up in the holidays; that children will come and young lives changed, and especially for Tash as she prepares the talks.

Pray that God will work through the Small Groups each week and that the leaders will model faith in the Lord Jesus.

OPEN HOUSE

☛ **Sundays 8:00 pm on Hope 103.2FM hosted by Leigh Hatcher**

Tony Morphett the Aussie scriptwriter, whose work over 50 years has touched the lives of millions around the world through some of our best-known TV dramas.

MISSION & AID

THE BROWNING

📍 Lutheran Hospital, Arusha, Tanzania

Stephanie and Andrew Browning with children William and Christopher where Andrew is working at the Lutheran Hospital in Arusha, Tanzania.

Pray for the Fistula work in Africa.

Praise God that they now have access to the gospel message in Swahili and Maasai using MegaVoice audio technology. Pray for the patients who hear the gospel – that God will open their hearts to hearing his word.

Give thanks for Lucas and Paul, fistula outreach workers, as they travel around rural areas finding patients and educating people about safe motherhood, and that their activities have borne fruit.

Praise for productive trips to Sierra Leone and Uganda; praise that many women deemed inoperable were treated and cured with several surgeons trained as well.

Pray for the maternity unit in Aarusha with 138 women delivering babies last month.

Give thanks for a recent large donation to upgrade and maintain infrastructure of the hospital.

Give thanks for Sister Katie Christie who has joined the staff. She is a committed Christian and is looking to bring God's love and compassion to the patients and midwives she trains.

Pray for the school which Stephanie has started in Arusha. Pray that negotiations for more land will bear fruit so that more buildings can be erected. Give thanks that the pupil numbers have increased and pray that more will come. Pray that God will raise up more teachers willing to commit to the school and also the need for another van. Pray for the need to re-do the tanks which although finished are faulty, and that the right person will be found to fix the problem.

Pray for the family, that William and Christopher will find new friends; for Andrew's back problem to be resolved; and for strength for Stephanie in all she needs to do.
