

ST
ANDREW'S
Welcome

19 JUNE 2022

We are a church that loves Jesus and wants the good news of His death and resurrection proclaimed to all people, so that they can believe in Him.
If you would like to know more about following Jesus or about St Andrew's, please visit our website -

Welcome to St Andrew's.

Today, we sadly farewell two wonderful saints from St Andrew's, in two very different ways.

The first is Archdeacon Brian Richardson, who passed away on Tuesday, 14 June. Brian was 96 years old and after a lifetime of ministry, has gone to be with the Lord Jesus whom he loved and served all his life. There will be a funeral service for Brian on Thursday, 23 June at St James Turrumurra at 11am. Brian is survived by his wife, Janet. If we could be praying for the family at this time, that would be wonderful.

The second, is Jamie Post who has been doing MTS with us at St Andrew's over the past 2 1/2 years. Jamie has been a massive help to us in the area of kids ministry as she has learned from Mel and taught our children so faithfully. Jamie will be greatly missed as she leaves us to start her new role as Kids Minister at St Matthew's Manly. Jamie has conducted herself as a worthy gospel minister and been a valued part of the staff team and we will miss her smiley face, not only around the office, but also around the church in general.

Jamie will be at all services today, so please take the time to wish her the best and show your appreciation for her ministry.

In Christ,

Mal

CAN YOU HELP?

Mal is keen to know if anyone has a Granny Flat that they are looking to rent.

We have a contact who has had to leave her partner and has been living in emergency accommodation with her daughter. She has a housing subsidy of \$350 and is looking for a place to rent, but struggling.

If you have a Granny Flat available to rent, or know someone who does, could you please contact Mal York.

PRAYER POINTS

For your prayers:

- Praise God for the generosity of our church family in financially supporting our Mission + Aid partners.
- Praise God for funds received for operational expenses for the parish and pray for continual financial support of the ministry of St Andrew's. Pray that finances would not hinder gospel ministry from happening on our site, nor through our long term Mission + Aid partners that rely on 10% of regular giving.
- Praise God for the many volunteers who serve faithfully behind the scenes each week. Pray they would feel valued and be well loved as they serve generously and faithfully, and that God would raise up more people willing to join our service and ministry teams.
- Pray for Jamie-Lee Post as she farewells her St Andrew's church family and moves to St Matthew's Manly. Pray that Jamie settles in to her new role with ease and gets to know the children and families at St Matt's quickly.
- Pray for Janet Richardson, her family and many friends as they grieve the loss of Brian, that they would be comforted by the one true Comforter.
- Pray for our Wardens and Parish Councillors who have been elected by our church to govern the ministry of St Andrew's, that they would know God's guidance in their discussions and decisions regarding the church's organisation, property and finances.
- Pray that those suffering the effects of ill health, stress, loneliness, broken relationships and difficult life circumstances will be uplifted by the promises of our Lord and Saviour and the loving care of our church family.

MISSION & AID PARTNER OF THE WEEK AFRICAN ENTERPRISE

- Pray for the Foxfires 2022 that they will continue to influence the next generation and that many students will come to the knowledge of faith in Christ.
- With more than 80,000 congregations in Kenya, pray for AE's pastor training program, that it will reach and train many leaders and evangelists according to God's will.
- Islam is a small minority in Kenya but growing in size and ambition. Tensions are high between Christians and Muslims, and violent outbreaks common in some regions. Pray for peace between the communities and peaceful ministering to Muslims.
- Pray for AE's ambulance service in the slums, that God will protect the AE team as they respond to emergencies. Praise God for this service and pray it will be used for physical and spiritual healing.
- Pray for those who came to faith at the recent Mombasa Mission and that the AE team can connect all the new believers with other Christians for ongoing fellowship and bible teaching.
- Pray that AE will continue to use the Home Based Evangelism (HBE) model efficiently in Kenya to reach thousands via radio and TV networks.
- Syncretistic practices and unbiblical teachings are spreading amongst rapidly expanding independent churches. Pray for their integration into biblical truth and true Bible-believing church networks.

A team led by the AE Kenya Foxfires kicked off school ministry with 70 students at Mombasa City Polytechnic.
