PRAYER POINTS

- Please pray for the many churches that meet, not just in Sydney, but all around Australia. Pray for the salvation of Australians and pray that Australian churches would be a good witness of the Lord Jesus Christ. Pray that God will protect churches in Australia from false teaching and protect those who minister in them from the work of the evil one. Pray that the churches of Australia might unite under the Lordship of Jesus Christ, by his Spirit, so that we can show a unified message of salvation.
- Please pray for our 8:30am congregation, that each member would have the spirit of wisdom and revelation that they may know Christ more richly. Pray also that the eyes of their hearts may be enlightened in order that they may know the hope to which they have been called, the riches of their glorious inheritance in the saints, and Christ's incomparably great power for us who believe.
- Continue to pray for those grieving the loss of loved ones and for people living with daily burdens and serious health conditions. Pray that God will comfort those in despair and that they will trust in his unfailing love and compassion.
- Continue to prayerfully commit the Property Redevelopment project to the Lord Jesus, that His will be done through the generosity and wise stewardship exercised by the people of St Andrew's.
- Give thanks for our Small Group leaders and those who generously host groups in their homes. Pray for God to continue to grow and equip his servants to teach the Word faithfully. Pray for increased breadth and depth of Christian fellowship that we would walk alongside each other, spurring one another on towards love and good deeds.

MISSION & AID PARTNER OF THE WEEK AFRICAN ENTERPRISE

- Give thanks for many pastors trained with the AE Pastor Training Course developed by Moore College. Pray for continued partnership with these pastors and churches as they join the Tanzanian mission.
- Thanks God that Tanzania has remained a peaceful country and is able to shelter refugees who have fled from violence.
- In the week of International Literacy Day, pray that AE will be able to launch more literacy programs (like those in Rwanda & South Sudan) to teach literacy through reconciliation and trauma healing.
- Pray for the mission in Dar es Salaam, for the gospel to be preached faithfully and for lives to be transformed through hearing and responding to the Word of God.
- Pray that the Dar es Salaam Mission will unite churches that have proliferated in number to strengthen ministry in this challenged region.
- As AESA celebrates 60 years since the first citywide mission to Maritzburg, South Africa, give thanks for the many lives changed and for new opportunities to share the gospel.
- Pray for the students who have successfully completed PTC, that they will be filled with the Holy Spirit and go out to proclaim the gospel faithfully and in context.
- Pray that those who become Christians during the three missions in August will be planted in communities of Christians to support and nourish them in their new faith.
- Pray for the protection and strengthening of Christians in Zanzibar, especially Muslim Background Believers who live in this 98% Muslim area of Tanzania.
