A WEEKEND FULL OF MINISTRY

The first week of Taste & See was a big hit! Please pray for the people who came, that those who are investigating Jesus would put their trust in Him, and for those who brought along friends, that they would be encouraged and equipped to answer their friends' questions.

On Saturday we held a working bee to start clearing things out of the hall in preparation for the building redevelopment. A massive thank you to those who came and helped.

Revive Youth held a servers' training day, where youth serving on different teams (Bible reading, AV team, decor, music) were trained, encouraged and equipped to serve at Revive.

MISSION PARTNER OF THE WEEK: MAL & LEANNE (CMS)

Please be praying for Mal & Leanne and their work with CMS in South-East Asia

Please give thanks

- that they are home safely and are settling into their new temporary home well.
- for the opportunity to share with students at Moore College about ministry in Vietnam and to challenge them to be involved in mission by going or supporting those who do.
- for the time spent with family.

Please pray for

- the HBC students as they return to Hanoi soon for intensives before the college year starts again on August 20.
- Mal and Leanne as they begin visiting their supporting churches this month, that it will be a great time to thank them for their partnership over the last ten years.
- for a good break in September.

PRAYER POINTS

Please pray for the Kids and Youth ministries of the church:

- For Xtreme that meets on Friday afternoons, for Play Group that meets during the week, and for the Sunday Kids Church programs that happen at 10:30am and 5pm.
- Pray that God will sustain Mel Bell and her team as they minister to our kids.
- For Revive that meets on Friday evenings and for the gathering of youth at the 10.30am and 5pm services.
- Pray that God will sustain Indira Ryan and her team, as they minister to our youth.

Please pray for our Maturity:

- That we will be a church that aims to help people grow in their relationship with Jesus.
- Pray for small groups and their leaders.
- That people will use the 'growing disciples' resources to grow in their personal relationships with each other.
- That people will look to join small groups and meet one to one with each other, to grow in our understanding of the bible.
- Pray that as the Bible is taught week to week, that the preachers will be faithful to the word of God and that God's Spirit might work powerfully amongst us.
- Pray that people notice a difference in their lives, as a result of God working in them, through the ministry of St Andrew's.

Please pray for the global Church:

- Please pray for the many churches around the world that face persecution daily.
- Pray for those churches that are growing quickly – like in China, India and Africa.
- Pray for those churches who are lacking resources and help us be willing to support those who are in need.
- Pray for the continual spread of the gospel around the world and that God will use his church to see this happen.

Please pray for each other:

- For the 5pm congregation:

That their love may abound more and more in knowledge and depth of insight, so that they may be able to discern what is best and may be pure and blameless until the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ – to your glory and praise. **AMEN**

Please also pray for:

- Klaus from the 8.30am congregation, who is undergoing hip replacement surgery this week. Please pray for Elizabeth as she cares for Klaus during his recovery
- The upcoming synod for the Bathurst Diocese on September 20-21
 - Bishop Richard Condie preaching at the synod service and launching Hope25
 - The launch of Anglicare Central West
 - Mark Calder as he speaks at synod, and that the Moore College video where he is interviewed with James Boardman and Sally Phelps is helpful in recruiting for the 11 of 28 parishes without clergy

SAFE MINISTRY MOMENT

This month for our Safe Ministry Moment, the team spent time reflecting on the first 5 Child Safe Standards we have thought about throughout this year.

We paused to consider what we have already implemented in the safe ministry space:

- Info slides in services/ posters in ministry spaces
- Newsletter reflections on each discussion
- Communicating toileting procedures
- Introducing Safe Ministry into key membership moments (belonging, serving, staff onboarding)

And we also considered ideas and reflections that are yet to be implemented:

- Kids and Youth Feedback form in T4 to ensure kids voices are heard
- Summary documents to be made of current statistics / key child protection information pertaining to churches
- Possible introduction of a Safe Ministry Sunday where we focus on Biblical teaching about safety each year
- Ensuring all Parish Councillors and Wardens have completed the safe ministry course (and encouraging other key leaders to complete it as well, e.g. small group leaders)
- Continued culture of transparency and clarity

It was great to look back and reflect and ensure we don't lose sight of ideas/ gaps in our practice that we highlighted across the year. Next month we will drill down into Child Safety Standard 6 where we will discuss the processes that respond to complaints of child abuse and whether they are child focussed.

BUSH WALK

Are you interested in joining the St Andrew's walking group for an early morning walk from the Spit Bridge to Manly, on Saturday September 21?

Meet at 8am at Grumpy's Wharf Cafe on the South (Mosman) side of the Spit Bridge on Spit Rd.

There is free parking on Parriwi Road (East Side) or paid parking at Spit West Car Park. Car sharing is encouraged.

The iconic Spit to Manly coastal Scenic Walkway is one of the most spectacular Sydney Harbour foreshore walks. This is a great opportunity to enjoy fellowship and the beauty of God's creation as we walk along a lovely stretch of Sydney Harbour. There are of course magnificent harbour views, but also a number of other surprises. There are sandy beaches, protected coves, sandstone cliffs, caves and waterfalls, as well aboriginal engravings. The walkway passes through patches of gully rainforest, open woodland, heath and coastal scrub. As you approach Manly, the pathway winds through lovely suburban streets.

This is about a 9km walk and will take up to 4 hours. Moderate fitness is required, as there are lots of stairs. Coffee and lunch are options at the end of the walk in Manly, before a 20 minute bus ride on the 144 back to the Spit Bridge. Nick Barbarino will lead the walk.

Please wear appropriate footwear and bring water, a snack, hat and sunscreen.

It would be helpful if you could indicate your intention to walk by texting Joel Wilson, 0470 616298

SAVE THE DATE!

REDUCE, REUSE, RECYCLE

Ever heard of Wish-cycling? Can you identify with the following situation? You don't want to add more waste to the planet, so you place your tricky item in the recycling bin, hoping it'll get recycled. Unfortunately, simply wishing for something to be recycled doesn't make it so. Wish-cycling might start with the best of intentions, but it's one of the biggest issues facing waste management today.
